Vintage Wooden Trailer. 2460 X 1460 Not registered

14 **1963 Holden EJ Ute**
Jack Foster's original Holden work Ute that was used in his carpentry business. Comes with majority of parts to complete restoration.

15 **Holden EK Ute Red**
Ideal for a restoration or parts car.

16 **Holden HJ Cab Chassis**
Ideal for a restoration or parts car

17 **Holden EK Ute Cream**
Ideal restoration car, reasonably good body has all panels relatively complete.

18 **Holden EK Ute Grey**
Ideal restoration car, good body minimal visible rust.

**19 Holden EH Ute**

Very iconic EH Holden Ute. Great starting base for a restoration.

**20 1950 Holden 48-125 (FX)**

The first of the Holden's. An earlier numbers vehicle, mostly complete only missing RHF Guard and LHR Guard. Ideal for a restoration or parts. Check the other Jack Foster catalogues which may include pieces required for restoration

**21 Holden EK Panel Van**

Rare windowless EK Panel van with a very good body. An easy restoration, running gear complete. Please check other Jack Foster catalogues for missing parts.

**22 Holden FB Standard Sedan**

Very rare FB Holden Standard Sedan. Owned by the Foster family of Camperdown for over 40 years and last registered in 1989. Very solid body, great starting point for a restoration. Interior Colour: 803A Beech Brown Exterior Colour: 6314 Birch Grey Chassis Number: FB2151153S Engine Number: B140544 431166 Miles Showing

**23 Holden HZ Cab Chassis One Tonner**

Jack Foster's trusty Holden work Ute that was part of his carpentry business in Camperdown. Solid body with factory V8 and 4 speed manual. Colour: 568-30518 Jasmine Yellow Interior Trim: 67C Tan 469462 Kms Showing Chassis Number: CHZ61985A

**24 Holden EH Special Station Sedan**

The Foster family car. A great example of a very desirable EH Holden Station Sedan. Striking colour combination and great history. Was last running a few years ago but has been garaged since. Colour: 585-0247 Tartan Turquoise 568-5084 Fowlers Ivory Trim: C39 Gem and Tiara Turquoise 3 Speed Manual Chassis Number: EH229M14774M Engine Number H82481
